In an effort to accommodate all clients, it is necessary to have a cancellation policy, because this time has been specifically reserved for you. **If you are unable to provide at least 48 hours notice when you cancel, you will be charged the full fee for your session.** *(You should note that insurance companies do not typically reimburse for missed appointments.)* In the case of extreme weather, e.g. snow, etc., there will be no charge for the cancellation, provided you call or email in advance.
